START TALKING

What’s the craziest holiday experience you’ve ever had?

What’s a small thing that always annoys you? (Please share)

START THINKING

There’s always a gap between an action and our reaction. What do you usually put in that gap?

Read Ephesians 4:2. Share about a time when someone was patient with you when you messed up. How did the love they showed you affect you?

Are you currently holding on to an offense? How can you make a conscious effort to let that offense go? How can you more intentionally fill the gap with love?

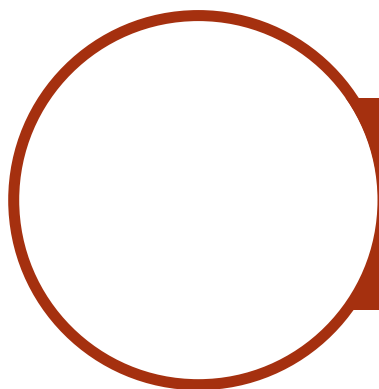

START PRAYING

Father, thank You for never holding grudges against us. Help us to follow Your example by letting go of offenses. Help us to see that our lives are too short and our callings too great to be offended by something small. In Your powerful Name, Amen.

START DOING

Pray and consider whether there are any offenses you need to let go?

Be patient with others this week and give them the benefit of the doubt.
